7. HANDLING AND STORAGE	
7.1. Handling	
Handling precautions	Avoid eye contact. The product has been dermatologically tested and no reaction (irritation) was observed on skin.
7.2. Storage	
Storage	Always store in original container, under cover and in ambient temperatures, tightly closed. In a well-ventilated place. not exceeding 45 ^o /C [113 ^o /F]. Never expose to direct heat or sunlight.
Unsuitable packaging material	Not known.
Incompatibilities	Not known.
Other information	Not known.
8. EXPOSURE CONTROL AND PERSONAL PROTECTION	
Exposure control	Avoid eye contact
Exposure limit for hazardous ingredient	No exposure limit for the finished product
Personal protective equipment:	
Respiratory	Respiratory equipment not required
Hand Protection	N/A
Eye Protection	Avoid eye contact

The information contained in this document is confidential intellectual property of Sycamore Israel (1994) Ltd. and is given to you for the sole purpose of purchasing the products of Sycamore. Any disclosure of the information contained herein without receiving the prior written consent of Sycamore may cause enormous damage to Sycamore Israel (1994) Ltd."

Skin	Avoid contact with sensitive skin area
Industrial hygiene	.Keep away from food.

9. PHYSICAL & CHEMICAL PROPERTIES		
9.1. General information		
Color:	Translucent colorless liquid	
Form:	Liquid	
9.2 Important health safety and environmental information		
Physical form	Clear, colorless liquid.	
pH	8.5-9.5	(10% solution in water)
Density	0.95-1.00	20° /C
Flash point	>123.8° F (51° C)	

10. STABILITY AND REACTIVITY	
Stability	Stable under ambient conditions. Extrapolated shelf life is at least 24 months in the original container. Or within 12 months after opening the sealed package. Should be Kept in room temperature with closed lid
Reactivity:	
Conditions to avoid	Extreme temperatures. Protect from sunlight.
Materials to avoid	No Information available
Hazardous decomposition products	No Information available.

11. TOXICOLOGICAL INFORMATION	
Possible health effect:	
Skin	Will not cause irritation.
Eye	May cause eye irritation.

The information contained in this document is confidential intellectual property of Sycamore Israel (1994) Ltd. and is given to you for the sole purpose of purchasing the products of Sycamore. Any disclosure of the information contained herein without receiving the prior written consent of Sycamore may cause enormous damage to Sycamore Israel (1994) Ltd."

Inhalation	Not Know
Ingestion	Not Know
Other health hazard information	The product should be handled with the care usual when dealing with chemicals

12. Ecological information;

Environmental fate and distribution:	
Air	None reported
Water	None reported
Terrestrial Environment	The used bottle should be disposed of according to local regulations.
Eco-toxicity	None reported
Persistence and degradation	No information is available; however the liquid is 99.12% organic and biodegradable
BOD & COD	Not determined.

13. Disposal considerations

Product disposal	No hazardous residues
Un-cleaned packaging	Packaging should be disposed of in accordance with regional and / or national regulations. Empty package does not pose any special hazard.

14. TRANSPORT INFORMATION

Road & rail transport	Not subject to ADR & RID regulations
Sea transport	Not subject to IMDG code regulations
Air transport	Not subject to ICAO/IATA regulations

The information contained in this document is confidential intellectual property of Sycamore Israel (1994) Ltd. and is given to you for the sole purpose of purchasing the products of Sycamore. Any disclosure of the information contained herein without receiving the prior written consent of Sycamore may cause enormous damage to Sycamore Israel (1994) Ltd."

15. REGULATORY INFORMATION - EC directive Classification & Labeling

The product has been classified and marked in accordance with EU Directives / Ordinance on hazardous Materials.

Hazard Symbol		No Hazard Symbol
Risk phrases:	R22	Harmful if swallowed.
Safety phrases:	S2	Keep out of the reach of children
	S 25	Avoid contact with eyes
	S 26	In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
