

Conexis® L1 Smart Lock.

Open the door to your world with the Conexis® L1 Smart Door Lock. The Smart Door Lock that puts you fully in control giving you the freedom to secure your home without the need for a key.

Easy to Fit - DIY

The Conexis® L1 Smart Door Lock has been engineered for easy installation. It only takes a screwdriver, smartphone and 20 minutes.

The Yale Lock App

Configure, control and unlock your Smart Door Lock from your smartphone via our secure Bluetooth app.

Tamper Alarm

Deters potential intruders with a loud alarm.

Keyless

Say Goodbye to Keys, with Conexis® L1 your smartphone is now your key. There's no need to leave keys under the mat or worry about the hassle of replacing them if they go missing.

Battery Operated

Powered by 4 x AA batteries and a warning when they're running low.

Battery Back-up

A 9v battery connection port can be used to power the Smart Door Lock in the event of flat batteries.

Secure Push & Turn Thumbturn

Engineered to give additional convenience and security to your door.

2 Year Guarantee

With UK Consumer Support.
