UNION[®]

ASSA ABLOY

Trusted by **Professionals**

ASSA ABLOY, the global leader
in door opening solutions

Quality, Reliability, Expertise...

...three solid reasons to choose UNION

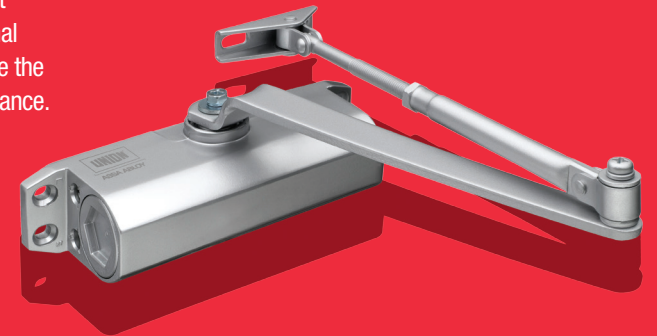

UNION quality

Achieving the perfect combination of technology and materials, each and every one of our products is manufactured to the highest specification – resulting in a quality of product that others can only aspire to.

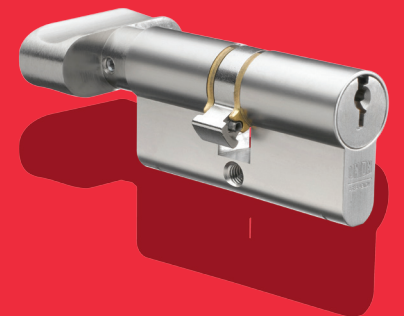

UNION reliability

All of our products undergo the most rigorous testing – way beyond normal UK standards – in order to guarantee the longest lifetime of excellent performance.

UNION expertise

Established as a manufacturer back in 1840, our expertise and heritage is second to none and combined with ASSA ABLOY's dedication to research and development - you can be confident that you're fitting a product you can trust.

The new CE3F Fixed Size 3 Rack and Pinion Door Closer

Reasons to choose the CE3F Door Closer

CE3F

1. Everything included

- Supplied with all components required to install safely in all three mounting positions.

2. Easy to install

- Quick and easy fitting process with specific template for each mounting position, to prevent mistakes. Installation video available at www.uniononline.co.uk/CE3F
- Uses the same footprint and fixing dimensions as most popular UK door designs – can be easily retro fitted with minimum effort.
- Non-handed design which provides flexibility - reducing the amount of parts stocked.

3. Easy to adjust

- Adjustable arm allows the CE3F to be easily installed and adjusted in multiple applications.

4. Easy to set up

- Side mounted door speed and latch controls for convenient access - allowing easy and accurate set up of the door opening and closing.
