

## Damp-proof membrane for cement based sub-floors

- Rapid cure liquid damp-proof membrane
- Primes and consolidates porous screeds
- Isolates old adhesive residue, therefore great for refurbishment
- Fast drying (approx 45 minutes at 50% rh & 20°C)
- Compatible with all SikaBond® wood floor adhesives
- 1-part, ready to use (no mixing)
- Solvent free, no VOC's
- Applied by roller, brush or squeegee

Item Codes:  
175129 - 5L  
400847 - 10L

# SikaBond® Rapid DPM
